

# 10/22 Prayer Campaign for China

## Provisional Vatican-China Agreement

Will expire in [October 2022](#) (10/22).

While Vatican and China negotiate, there are widespread arrests in the underground church. Local official holding name lists from CCP (Chinese Communist Party) went searching for underground bishops and clergy. Recently, **12 priests from one major diocese were arrested. Another smaller diocese suffered similar fate.** Bishops and Diocesan Administrators were arrested or have disappeared for months. One faithful were fined US\$3,000 for hosting one Mass. The local government official said that CCP wanted ALL underground bishops and clergy to join the Independent Patriotic church **before** October 2022.

These clergy arrested were subject to long hours of brain washing (**re-education**) on **new theology and religious policy**. They were asked to pledge in writing:

- 1) Complete obedience and loyalty to the Independent Patriotic bishops and the party,
- 2) Use religion to promote communism and President Xi's goals,
- 3) Cut off all allforeign influence on religion.

Due to unbearable pressure, a small number of priests have transferred to Patriotic Church.

**October 2022 (10/22) is only a few months away.**

**CCP** is using all its power **to eliminate the R. C. Church in China.**

**We must use the same determination to pray.  
I beg you, please**
